INTRODUCTION TO HUMAN-CENTERED DESIGN

As of MAY 19, 2025,

ELIOT OWITI

has successfully completed an online course, **Introduction to Human-Centered Design,** provided by Acumen Academy and IDEO.org.

This hands-on course introduced human-centered research methods, concept generation, and rapid prototyping of a solution to a poverty-related design challenge. Congratulations! We're glad to have you in the Acumen Academy community.
